

German Egyptian Research Long-Term Scholarship to the Federal Republic of Germany “GERLS”

As an outcome of success achieved during the German-Egyptian Year of Science & Technology 2007, a cooperation agreement has been made between the Ministry of Higher Education and Scientific Research of the Arab Republic of Egypt “MHESR” and the Deutscher Akademischer Austauschdienst (DAAD), from funds made available by the German Ministry of Foreign Affairs and the Egyptian Ministry of Higher Education and Scientific Research to create a program offering up to 100 postgraduate scholarships for Egyptian doctoral candidates.

The target group of this program comprises Egyptian researchers holding M.A. / M.Sc. degrees which should generally not be older than 3 years.

1. Background and objective

Within the framework of the long-standing cooperation between the Arab Republic of Egypt and the Federal Republic of Germany; and in partial fulfillment of the MHESR and DAAD aims and objectives; as well as in consideration of the funding resources and regulations of both parties, the aforementioned parties have agreed to create the “German Egyptian Research Long Term Scholarships” (GERLS).

2. Aim and duration of doctoral studies in Germany

Each year a group of researchers will be sent to Germany for doctoral scholarships in the scientific fields and priorities agreed upon by DAAD and MEHSR.

The GERLS program will be administered by the DAAD in close cooperation with the MHESR and German universities. Generally speaking, the scholarships within this program are awarded for 12 months, subject to extension up to 42 months.

Candidates can select adequate structures PhD courses or PhD supervisors in Germany themselves in order to join the GERLS program. However, dual funding from universities offering such courses and the GERLS program are not permitted. DAAD Cairo Office and MHESR will support the candidates whenever necessary.
